Future Plans

Life after NIU

After graduation, I plan to continue my education by attending a graduate program in my field of interest. I am currently exploring various options and will be making a final decision soon. I am excited about the opportunity to further my knowledge and skills in this field.

What I plan to accomplish in 5 years

In the next five years, I plan to complete my graduate degree and gain professional experience in my field. I am also planning to travel and explore different cultures and perspectives. I am confident that I will achieve my goals and make a significant impact in my field.

What I plan to accomplish in 10 years

In the next ten years, I plan to establish myself as a leader in my field and make significant contributions to my industry. I am also planning to continue my education and stay up-to-date on the latest developments in my field. I am confident that I will achieve my goals and make a lasting impact on the world.

Where I Hope to Live

I hope to live in a city that is vibrant and full of opportunities. I am considering several options and will be making a final decision soon. I am excited about the possibility of living in a city that offers a high quality of life and a strong sense of community.
